Subject: Self-Sealing Rubber

Gentlemen:

The sample of self-sealing rubber which you forwarded us with your letter of May 10 has been very carefully examined.

We regret that this Company does not produce a comparable item and suggest that possibly a similar product could be secured from the Miller Rubber Company through B F Goodrich here in Akron.

We are sorry that we are not able to be of assistance to you in this particular project, but we request that you do not hesitate to communicate with us on similar problems in the future.

Very truly yours,

Government Sales Department
